BUSHLAND HIDE AWAY ON 25 ACRES SET UP TO LIVE GREEN!

It's a beautiful piece of Australia full of native flora and fauna, peaceful and private.

Three bedrooms, two with built-in robes and the master has a walk through robe to the bathroom.

The bathroom is well laid out and of a good size.

Open plan living/dining with raked ceilings and a modern kitchen with ample cupboard and bench space there is even a corner pantry.

In the living room is a surprise behind the sliding wardrobe doors is a pull out office space that can be hidden with just a slide of a door.

The home has verandahs right round and wider verandahs down the living room end of the home that are perfect for entertainment and BBQ. The views are to die for?. lovely natural bushland.

The home has a good size laundry and storage area and under the house is a great little man's cave set up with tools and work benches.

For shedding there is a good size double lock up garage with carports on both ends behind the shed is a shade house and vegie area.

A good supply of tank water for the home
