A Piece of Paradise in the beautiful Gaeta Valley.

This one would be a great one for someone who wants to make a lifestyle change.

A hidden gem, just waiting to be finished off.

Three bedrooms old federation style home moved onto this 25acre block a few years ago

It is lovely, peaceful, quiet, you can grow anything and just waiting for someone to turn it into their hideaway from the world outside.

The home hasn't had it's final inspection so it's being sold As Is' but at a bargain price.

Three bedrooms, open plan kitchen/dining and living with a separate formal lounge.

A family bathroom, at this point in time only a dry toilet.

Power and phone connected, water supplied from four poly tanks.

Old shed come cabin and orchard with varied fruit trees and gardens spread around the house and shed.

The school bus runs right by the front gate.

Give us a call and arrange a viewing.
