The home has high cathedral ceilings with polished floors, open plan kitchen/living and dining area.

Three bedrooms all with built-in robes with great views.

The living room opens out on to a balcony with magnificent views of the property.

Good size family bathroom upstairs and a large family room and second bathroom downstairs. If you have teenagers downstairs it is the spot for them!

Plenty of water from three dams and a seasonal creek. The house is supplied by 5 x rain water tanks.

Fully fenced and divided into three paddocks, set of timber yards, good size machinery shed with some assorted shedding.

You really should view this one!
