Four Bedrooms & Two Bathrooms on Five Acres!

This one is a real beauty - 4 bedrooms, 2 bathroom home on 5 acres set right down the back of the block so it's very private and it borders onto a large farm, so no neighbours near the house.

The home has cool modern internal fixtures and features with up to date dcor, a modern well laid out kitchen with plenty of bench and cupboard space with all other mod cons.

Large open plan living /dining area that opens to verandahs on both sides.

Four bedrooms all with built-in robes, two have split air con systems, all have ceiling fans in fact there are ceiling fans throughout the entire home.

There are three bedrooms upstairs with a good size rumpus room plus separate toilet and a lovely good size family bathroom.

Also, upstairs of the rumpus room is a large deck perfect for entertaining and great views of the property.

The rest of the little farm is lovely, a great chook shed, two 6m x 3m sheds and a huge greenhouse and hot house. Also, the property has a bath and shower in the shed with its own hot water either gas or wood fire - perfect for guests.

The property is divided into 5 paddocks all
