## 5 Gibb Street Mount Perry

Nestled on the western side of Mount Perry, this quiet little street lends itself to relaxation and privacy. This home with secure yard and established flowering trees and shrubs gives a private entry onto a large patio area.

This two bedroom home has reverse cycle air conditioning in the living/kitchen area with a window cooler in bedroom 2. The master bedroom has been freshly renovated with a new ceiling, new paint with feature wall and is large enough to accommodate an additional lounge and TV.

The yard is made up of paths throughout the established gardens with various fruit trees eg: lemon, orange, avocado and more.

A single carport at the rear of a long driveway and a tool shed to accommodate all the gardening equipment.

Combined laundry/bathroom with shower. The

**Price:** \$141,000
