Big drop in price! Great Buy, Well below replacement costs - 4 bedroom on 92 Acr

Beautifully finished, near new four bedroom brick veneer on 92 acres. You could not build this for anywhere near the price the vendor is asking! All the bedrooms have built in robes, the master has a walk through to the ensuite.

The ensuite is to die for, modern decor with top end finishes. Open plan living/kitchen and dining with massive glass sliding door to bring the outdoor BBQ entertaining area inside, this home is just built for modern living!

The kitchen is laid out for the hidden chef that hides in most of us and rolls out seamlessly to the outdoor cooking and BBQ area.

Top notch fittings and finishes! Right through this home!

Two living areas! A lovely rumpus room with built in library and new a/c unit.

Ceiling fans throughout the home, nbn with wireless connection to every room and good mobile phone reception.

100,000 Lt of rainwater tank storage.

NO POWER BILLS! Top of the range off grid solar power!
