Excellent Location is this secluded elevated block approximately 250m walk to the Burrum River, and only a short 600m drive to the deep-water boat ramp with pontoon access to your boat.

This 800m² flat cleared block, with a 20 meter frontage would be ideal for someone looking to design and build a dream home which would take full advantage of the views this block has to offer, or would be ideal for that weekend fisherman's retreat. The block is close to everything Buxton has to offer. ~ 300m walk to the general store which has groceries, take-away food, bottle shop and post office.

Buxton is widely known for its fishing, crabbing and prawning and is the perfect place to base yourself to explore the riverways of the region.

Buxton is 29 km or a comfortable 30 minute drive to Childers, 79 Km to Bundaberg and 81km to Hervey Bay an inspection will not disappoint
