Three bedroom or four with two bathrooms on 25 acres.

Perfect home to start a new life of self-sufficiency

This home has had all the hard work done for you and if you're looking for a life in the country of self-sufficiency and healthy living this is it.

Three bedrooms but could be very easily four with two bathrooms.

Big country kitchen with miles of storage space and miles of living space.

The home is big and open and has been designed that the spaces can be easily converted to any other desired use.

Lovely slate and tiled throughout the home with a very healthy and natural feel.

The back of the home provides a private, pretty courtyard that is perfect for the family or entertaining.

Shed and yards everywhere, plenty of water from tanks and dams plus a seasonal creek.

If you are looking for a change this is the one for you!
