2 storey with 6 bedrooms and 2 bathrooms on 2.2 Acres.

What a hidden gem, it has been in the same family since it was built.

Due to family illness, it is now on the market.

It is in it's original state, just waiting for a family to update it.

Decent size kitchen and all the rest of the lower storey is a living area.

All bedrooms are upstairs.

The property is in a beautiful location - the block and gardens are lovely, just needing a tidy up to bring it back to it's past glory.

Well worth a viewing.
