Modern Home on 64 Acres

30 Mckenzie Road North Isis
\$539,000.00

New home on 64 beautiful flat acres just 10 minutes' drive into the heart of Childers.

Come along and inspect this property, fresh to the market, this beautiful new family home, only 12 months old, perfectly positioned on a 64-acre block with a secure house yard and fully fenced boundary. The property has the original cattle yards which are still in use today. A new capped bore is alongside the freshly dug dam. A solar pump will be required to finish off the installation. A seasonal creek runs through the property. At the rear of the property is approx. 7-10 acres of natural timber the rest of the block has been cleared. Currently the property is divided into two paddocks and the house yard which allows you to layout the property as you wish.

The beautiful home comprises 3 bedrooms family bathroom, open plan living, dining and kitchen with modern color tones.

The master bedroom has an ensuite with a walk-in robe with built-in shelving. Built-in robes are in the other 2 bedrooms.
