Nature Lovers Paradise on 42 Acres.

This property has been a labour of love but due to unforeseen circumstances it is now on the market.

The four bedroom, plus media room that could be a fifth bedroom home, has been built to lockup all approved - in fact the plumbing & wiring stages have been done.

The home has a huge living room, dining/meals area with large entry, rumpus room and has two bathrooms.

The power has been ran from the road up to the home at a great cost.

Excellent mobile reception.

The property is nestled into hand crafted native landscaping.

800 Dragon fruit plants have been planted on the property.

The block has never been milled for timber.

70% of the block is fenced and the views are to die for!

This property will not last long \$290,000
