\$490,000.00

Located in the quiet rural fishing village of Buxton, known for its river, fishing and crabbing, this 3-bedroom, brick veneer steel framed, fully insulated home is just a short stroll through the parklands to the local shop and boat ramp.

The hedge fencing at the front of the property adds a sense of intimacy with mother nature, attracting birdlife to the well-maintained established gardens around the property and the shaded vegie garden on the side boundary.

The wide veranda that runs all the way around the house, with pull down shade/fly screens at the rear, has a purpose built bricked in area for a BBQ and wood heater.

The home has timber look vinyl flooring throughout with block out blinds, and security mesh on the windows, there is a split system air conditioner in the living room

All the bedrooms have Built in Robes, with an abundance of natural light flowing into each room. The master bedroom has its own private access to the veranda
