Great find at this moment and it won't last long - everyone is looking for this block!

12.37Ha or 30.5 Acres fully fenced.

Good dam and seasonal creek running through it.

Nice little weekender with open plan living kitchen, dining, bathroom and bedroom.

Some solar panels and connected to the grid for mains power.

Two good rainwater tanks on the cabin.

Improved pasture.

The entrance driveway is a little rough but at this price who cares.
