Two bedroom home on 10.40Ha built for the self-sufficient lifestyle

What a beautiful place hidden up a shaded drive through to a native wonderland of flora & fauna to this self-sufficient hidden away.

Two bedroom home well built with sliding glass doors out off every room onto the verandas which also provide great cross ventilation.

Open plan kitchen and living.

A decent size bathroom with stepless shower.

Laundry on the verandah.

Extensive outdoor living and entertaining area fully covered.

Miles of shedding, in fact the owner has just had a brand new shed built.

Plenty of rainwater tanks.

Back to grid solar.

Great veggie gardens that have had a lot of thought put into them.

All the beds are raised, there is a wick watering system from the bottom of the beds for water conservation and better growth.
