Spectacular Views / Lifestyle Property

10448 Isis Hwy Biggenden

Overlooking Mount Walsh with its lush green Australian Bushland this freshly painted 3 bedroom home plus granny flat is set on approx. 4 ha of land that is surrounded by spectacular views.

This fully fenced lifestyle property is well set up with 6 x 5000-gallon rain water tanks, bore with pump, septic system, established gardens, home paddock with dog fencing, 2 x Chook houses with large runs, and huge 8m x 13m drive thru high clearance shed with power and concrete floor. A separate workshop and 2 x car carports along side the granny flat is near the house.

The front veranda, perfect for lazing away an afternoon with its view of Mt Walsh, leads you through the French doors into the open plan living / dining room, with polished floorboards which continue throughout the home. The home is cooled by an evaporative cooling system as well as reverse cycle split system air conditioning.

The modern kitchen with gas cooktop, electric oven and dishwasher has plenty of cupboard and pantry space.
