From under the bullnose front veranda the entrance to this beautiful low set 4-bedroom brick veneer home leads you past the large family lounge room towards the heart of the home, an open plan kitchen dining/living room.

The modern u-shaped kitchen has an electric fan force wall oven, electric cook top, a family sized walk-in corner pantry and space for a dishwasher and large fridge.

There is an extra-large master bedroom with ensuite and walk in robe at the end of the hall.

All bedrooms have ceiling fans and built in robes. There is a family bathroom, separate toilet and laundry which lead out to the private rear courtyard.

At the front of the property is a 6m x6m colour bond shed with concrete floor and power connected. Behind the shed is a 20-foot shipping container idea for extra storage with a fly over and awning. There is a concrete pad which can be used to park a caravan on the opposite side of
