Beautiful Queenslander on 25 acres built for Self-Sufficiency.

If you have been looking for the perfect escape property - well this could be the one for you.

The works been done! It has been tastefully renovated and it is fully off grid!

2 bedrooms plus a large sleepout.

Decent size living and dining areas with a kitchen that is just built to cook in.

Modern family style bathroom with up to date d?cor.

And a veranda and BBQ area that overlooks the front of the property with a beautiful view.

As I have already said "fully off grid," vegetable gardens, fruit trees with shedding everywhere.

Fully goat proofed fencing, great dams and much, much more.

It is a must see, too much here to list in a advert!

Call or email for a private viewing.
