

5 Gaydon Street CHILDERS, QLD

3 bedrooms, 1 bathroom, 3 car spaces

Low-set Brick Veneer Walking Distance to CBD

This beautiful modern low-set 3-bedroom home on 1012m2 of land is within walking distance of the main CBD area of Childers and is close to all schools.

This property has it all, a brand-new kitchen, new vinyl plank flooring and new carpet to the lounge and 2nd bedroom, the master has a split system air conditioner with built in robes throughout. The lounge room has a large split system air conditioner which accommodates the living spaces. The modern bathroom with its oversized shower and stylish vanity has been completely renovated within the last 12 months.

The home has a single car garage under the roofline with internal access to the home and a remote-controlled roller door.

The lush fernery across the front of the home shades the bedrooms from the hot summer sun and offers privacy from the street. Across the back of the home, a beautiful veranda captures all the morning sun making it an ideal undercover alfresco area.
